

TWO GUEST SPEAKERS

Marleny Franco, will provide information on composting & demystifying soil science as the key to organic gardening. Marleny has been a horticulturist in NJ for over 35 years & holds a Master's degree in Plant Science from Rutgers University.

Jesse Lubkiewicz, will share his homeowner experience with both Tumbler & Vermi (worm) composting, container gardening and green living.

Mansfield Township Green Team

COMPOSTING AND THE KEY TO GOOD SOIL WORKSHOP

For information contact JoAnn at

Registration is not required in order to attend.

Join the Green Team of Mansfield Township for an informative afternoon on composting and soil composition. Composting is nature's way of recycling organic materials back into the soil in order for the cycle of life to continue.

DATE: MAY 16, 2015 (SATURDAY 2:00PM–5:00PM)

LOCATION: MANSFIELD TOWNSHIP MUNICIPAL BUILDING
100 PORT MURRAY RD, PORT MURRAY, N.J.
